Homeowner's Policy

A Homeowner's Policy of title Insurance is available for 110% of the Basic or other applicable Rate.

ALTA Owner's Extended Coverage Policy

An ALTA Owner's Policy (also known as "Extended Coverage") is available for 150% of the Basic or other applicable rate.

Construction Loan Discount

The construction loan discount is 60% of the base rate. It applies if the loan to be insured is financing construction of improvements to real property. It does not apply if the loan to be insured will also be the permanent financing loan after construction (i.e., there will not be a "second" loan (permanent financing) to take out the construction loan – one loan rather than two).

Builder/Developer/Subdivider's Rate

This rate is available to a builder, developer or subdivider customarily engaged in such business, and is intended for the resale of individual lots or units. This rate is applicable to premiums paid for by the builder/subdivider for the owner's policy issued to a consumer purchaser with a minimum premium for an owner's policy of \$300.00.

1. 1 - 50 units - 65% of basic rate
2. More than 50 units - 60% of basic rate

This rate does not apply to bulk sales (sale of multiple lots or units). This rate is not applicable to endorsements issued in connection with the form of policy requested. The Short Term Rate does not apply. A Homeowner's Policy may be issued under this Section, where applicable, for an additional fee of 10% of the Basic Insurance Rate.
