

**EPIC - now available in Minnesota & North Dakota**  
**Sophisticated**  
**User-Friendly**  
**Saves You Time and Effort**  
and it's **FREE** for ATGF Agents only!

## **ATGF's new web-based title insurance underwriting and distribution system**

EPIC for Minnesota & North Dakota agents is designed to save you time and effort. Enter data once and EPIC automatically populates commitments and policies for you. EPIC generates the policy jacket, obtains the policy number and populates the policy number into the schedules. With the automatic rate calculator, the information you enter for your commitment is automatically used to calculate the rate. EPIC always uses the current ATGF rates. And the best feature? EPIC is free – exclusively for I ATGF Agents.
